AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Interim rule with request for comments.
SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on an interim rule amending the Federal Acquisition Regulation (FAR) to implement the Office of Management and Budget (OMB) Guidance M–09–10, dated February 18, 2009, entitled, “Initial Implementing Guidance for the American Recovery and Reinvestment Act of 2009” (the Recovery Act). In addition, this rule enables the Governmentwide Point of Entry (https://www.fedbizopps.gov) to be leveraged for the purpose of fulfilling sections 1526(c)(4) and 1554 of Division A of the Recovery Act.

On February 17, 2009, the President signed the Recovery Act. On February 18, 2009, the Director of OMB issued initial implementing guidance. One of the provisions of the OMB guidance is to provide accountability and transparency relative to publicizing contract actions. The OMB guidance requires that the FAR be amended to reflect:

1. Unique requirements for posting of presolicitation notices.
2. Unique requirements for announcing contract awards.
3. Unique requirements for entering awards into the Federal Procurement Data System (FPDS).
4. Unique requirements for actions that are not fixed-price or competitive.

D. Paperwork Reduction Act
The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. Chapter 35, et seq.

E. Determination To Issue an Interim Rule
A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because the Recovery Act became effective upon enactment, and contracts using funds appropriated by the Act will soon be ready to award. However, pursuant to Public Law 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

   (c) The contracting officer, when entering data in FPDS, shall use the instructions at https://www.fpds.gov to identify any action funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5).

5.705 Publicizing-post-award.

Subpart 5.7—Publicizing Requirements under the American Recovery and Reinvestment Act of 2009

5.701 Scope.

This subpart prescribes posting requirements for presolicitation and award notices for actions funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5) (Recovery Act). The requirements of this subpart enhance transparency to the public.

5.702 Applicability.

This subpart applies to all actions expected to exceed $25,000 funded in whole or in part by the Recovery Act. Unlike subparts 5.2 and 5.3, this subpart includes additional requirements for orders and for actions that are not both fixed-price and competitive.

5.703 Definition.

As used in this subpart—

Task or delivery order contract means a “delivery order contract,” and a “task order contract,” as defined in 16.501–1. For example, it includes Governmentwide Acquisition Contracts (GWACs), multi-agency contracts (MACs), and other indefinite-delivery/ indefinite-quantity contracts, whether single award or multiple award. It also includes Federal Supply Schedule contracts (including Blanket Purchase Agreements under Subpart 8.4).

5.704 Publicizing-preaward.

(a)(1) Follow the publication procedures at 5.201.
   (2) In addition, notices of proposed contract actions are required for orders of $25,000 or more, funded in whole or in part by the Recovery Act, which are issued under task or delivery order contracts. These notices are for “informational purposes only,” therefore, 5.203 does not apply. Contracting officers should concurrently use their usual solicitation practice (e.g., e-Buy).
   (b) Contracting officers shall use the instructions at the Governmentwide Point of Entry (GPE) (https://www.fedbizopps.gov) to identify proposed contract actions funded in whole or in part by the Recovery Act.
   (c) Ensure that the description required by 5.207(a)(16) includes a narrative of the products and services (including construction) that is clear and unambiguous to the general public.

5.705 Publicizing-post-award.

Follow usual publication procedures at 5.301, except that the following supersede the exceptions at 5.301(b)(3) through (6):
   (a) For any contract action exceeding $500,000, including all modifications and orders under task or delivery order contracts, publicize the award notice and ensure that the description required by 5.207(a)(16) includes a narrative of the products and services (including construction) that is clear and unambiguous to the general public.
   (b) Regardless of dollar value, if the contract action, including all modifications and orders under task or delivery order contracts, is not both fixed-price and competitively awarded, publicize the award notice and include in the description the rationale for using other than a fixed-priced and/or competitive approach. These notices and the rationale will be available to the public at the GPE, so do not include any proprietary information or information that would compromise national security. The following table provides examples for when a rationale is required.
